Dear Friends,

Thank you for your contribution to the Quie Fund Matching Gift Campaign! Your support is vital to the growth of Norway House as we continue with Phase II development of our campus.

In honor of Governor Quie, we have dedicated Norway House as the Albert H. Quie Center this October, 2017 for his extraordinary efforts in assisting Norway House secure \$5 million in bonding matching funds from the State of Minnesota. We are looking ahead to the construction of our cultural center and expansion of our programs as a result.

Governor Quie walked the halls at the Capitol speaking passionately about Norway House and his own Norwegian heritage. He talked about the sacrifices of our ancestors, the need for Minnesota to hold on to their history, and made the case for building the bridge to contemporary Norway for the sake of the values our countries share.

Your gift in honor of Governor Quie celebrates his dedication to education, community, and collaboration, as well as his service to the State of Minnesota and to Norway House.

Thank you for your generous support!

Best Regards,

Christina Carleton  
Norway House Executive Director

  
Rebecca Jorgenson Sundquist
